PUBLIC NOTICE

New Delhi, the 7th June 1949

SUBJECT:—Import Trade Control O.G.L. XI Concessions—amendments to Public Notice of the 1st June 1949.

No. 1(11)-I.T.O./49.—In the Public Notice issued on the 1st June 1949, on the issue of special import licences in view of the cancellation of Open General Licence No. XI, it was not made sufficiently clear that in the case of articles included in Appendix B that special licences will issue where irrevocable letters of credit have been opened on or before the 4th May 1949 for shipments to be made after the 31st May 1949. It is notified for the information of the importers that in all such cases special licences will be issued on receipt of application and on the production of a certificate from the exchange bank concerned showing the number, the outstanding amount and the validity period of such irrevocable letters of credit.

2. In the case of articles falling in Appendix B and not covered by irrevocable letters of credit, applicants should, in addition to the conditions prescribed in para. 4 of that notice, furnish a bank certificate to show the usual method of payment on which business was carried out by them with particular overseas manufacturers, shippers or suppliers with whom the contracts have been made and also any correspondence with the suppliers to indicate precisely what their past business relations have been with the particular suppliers.

3. It is also notified that special licences for articles included in both appendices A and B will issue in all cases where firm contracts have been made by importers on or before the 4th May 1949, in pursuance of a definite order for supply placed by Central, Provincial or State Governments. Importers should, in addition to the evidence of firm contracts, produce evidence of having received a firm order from the Central, Provincial or State Governments for the supply of the goods concerned.

4. Opportunity has also been taken to rectify a few omissions and to carry out some amendments required to Appendices A and B to the Public Notice dated the 1st June 1949, which are shown in the Corrigendum appended to this Public Notice.
